Best Practice (s) / Innovations of the Department:

- Coaching for TNPSC, CAT, MAT, SET, and CSIR examinations.

- Communicative English class for students, who have hailed from rural background. It will help the students to develop the communicative skills.

Future Plans of the Department:

- Planned to take up a course in the interests of local small scale industries, so as to improve employment.

- Provide every student with advanced computer in Lab.

- Construction of MATH LAB and modern seminar hall.

Please comment on SWOC Analysis :

Strength: Strength of the department are number of faculty members in it and the infrastructure.

Weakness: Research activities are the weakness of the department

Opportunities: The college is located near a biodiversity hot spot of butterflies. Also the college can commibute more on it.

Challenges: Appointing permenant faculty members is the real challenge in the department. It has one permenant faculty and all others are temporary.

Best Practice (s) / Innovations of the Department:

M.Sc students pass out : 98%.
B.Sc students pass out : 80%.
Total dropout : Less than 1%.

Future Plans of the Department:

① Strengthening research activities
② producing entrepreneurs by establishing Incubation centre
③ Attaining 100% Ph.D holders as faculty members

Please comment on SWOC Analysis :

Strength:

- Dedicated Faculty
- Research Publications
- PhD Guidance

Weakness:

- No Part III Major under Regular Stream

Opportunities:

- Establishment of Research Centre in the Department

Challenges:

- Most of the students hail from rural areas
- more than 95% of the students are from Tamil medium
- Some of the classes have more than 60 students

Best Practice (s) of the Department:

- Regularly conducting enrichment activities for the betterment of the students.
- Every year the department distributes prizes to the students who excel in academics as well as enrichment activities.

Innovations in the Department:

- The department guides the students on the lines of public speaking, powerpoint presentations of assignments and the syllabus oriented poems, dramas and shortstories.
- Augments the communicative and soft skills of the students

Future Plans of the Department:

- To provide training on Writing skills and public speaking skills for select students
- Establishment of Research Centre in the Department

Please **comment on SWOC Analysis:**

Strength: 1. Committed teachers

2. Well equipped lab

3. Students behavior is continuously monitored by CCTV surveillance

Weakness: 1. Research output

Opportunities: 1. Updated curriculum

2. Skill based certificate course.

Challenges: 1. Most of the students are from rural background and first generation learners.

Best Practice (s) / Innovations of the Department:
1. Special days are celebrated such as youth renaissance (Dr. Abdul Kalam birthday) day and national science day

Future Plans of the Department:
1. Introducing new courses like Digital Photography, Nanotechnology and Astronomy.

Best Practice (s) / Innovations of the Department:

i). "WANG" – monthly magazine published by our Department Students.

ii). Attendance for every hour has been noticed in a common note at Department. Every Class In-charge will make a call to the parent regarding absentee.

iii). Celebrating TamilarThirunaal – Pongal Festival with Special Children or Old age people with some offerings.

iv). Uniform for all UG and PG students every day and alternative days respectively.

Future Plans of the Department:

1. Involving Staff Members for Research.
2. Including more Papers and Journals in Department Library.
3. Lab facilities should be provided at high configuration for development students.
4. Placement cell with in department.
