## **HISTORY**

It is Lord Krishna's nest of peace and love, surrounded by greenery, with Goddess Meenakshi at its center. This vibration may benefit the physiological and psychological systems of the students to cater to the needs of the first generation and economically backward students. The hostel is essential and mandatory for the college to achieve its vision and mission . The hostel's feeding grounds are from a minimum of 150km away, i.e., the districts of Virudhunagar, Sivaganga, Ramanathapuram, Tirunelveli, Theni and Dindigul. To empower and uplift the backward community. The college constructed the Mayor Radhakrishnan Hostel during the year of 1991. The mayor, Radhakrishnan, has served as a Chennai mayor. In his honour, the hostel has been named MRK Hostel. The hostel has a long history of incubating and producing several assembly members and parliament members, IAS, IPS, and good academicians to serve this country,
