

YADAVA COLLEGE
DEPARTMENT OF PHYSICAL EDUCATION
SPORTS VILLAGE

The Department of Sports, Yadava College, Madurai came into existence as a tiny unit. The accelerated pace of sports achievements of the College over the recent decades have been instrumental in enabling the department to grow from strength to strength and occupy a place of prominence in the developmental road-map of the College. Headed by a regular director, the Department has a well-trained, competent and fully committed band of coaches/instructors representing various disciplines.

It needs no reiteration that the Department has been moving on the path of sustained growth, both quantitative and qualitative, speedily and steadily crossing important milestones one after the other in terms of improved sports infrastructure development, Management (conduct and organization) of intercollegiate and inter-university sports competitions, and coaching-training facilities.
