

PG DEPARTMENT OF COMMERCE

(COMPUTER APPLICATIONS)

VISION

Provide innovative methods of teaching, learning and research.

MISSION

Build global leaders and entrepreneurs

PROFILE

The Department of Commerce was established in the year 1996 with 4 faculties and about 40 students. Over a period of 26 years, the department has grown from strength to strength and now has 16 faculties and 410 students. This is the biggest department in the college and more than 15% of the total student's strength of the college consists of commerce students. Out of the 16 faculty members, 4 have obtained Ph.D. degrees, 4 are pursuing Ph.D. degrees, 2 have passed SET examination and 6 have obtained M.Phil. degrees. The Faculties has been recognized as BOS and Syllabus Revision Committee Member. The department has organized several workshops, seminars and competitions. The faculty of the department consistently encourages the students to participate in sports, NSS, NCC and other extracurricular activities.

The department adopted and made use of the Information Communication Technology (ICT) in teaching techniques effectively. There is academic flexibility in vertical growth of students' community to join for M.Com and M.Com. (CA) courses in our college.
