3. In V Semester Biotechniques Paper include P. Palanivelu reference book in the position of textbook in NO.2 instead of Boyer.
4. In V Semester Plant Biochemistry paper delete V unit to add II unit for Respiration.

5. Vth Semester Paper Medicinal Plants title instead of Medicinal Biochemistry

6. VIth Semester Paper title Herbal Technology instead of Herbal Drug Technology.

7. Practical Title also changed Microbiology and Medicinal plants to Microbiology and Medicinal Biochemistry.

→ J.S. Mysore
→ L. S. Patel

8. Practical title herbal technology Syllabus and content changed to herbal drug technology.

9. Add Mushroom cultivation in Second Unit, in the Paper of Microbiology and immunology.

10. Add transgenic animals like mice, poultry sheep to microbiology & immunology Paper.

11. In 1st Semester Paper Biomolecules unit in Lipids a slight changes made.

12. Slight changes due to metabolism clinical biochemistry and enzymes paper

13. Vth Semester Biotechniques paper 1st unit Gas solid chromatography and Second unit electrophoresis - density Gradient and high voltage electrophoresis deleted and 4th unit Lyophilization, ultrafiltration are remove.

MINUTES OF THE BOARD OF STUDIES
(2014 – 2015)**

Date: 06.04.2015

The Board passed the following Resolutions

1. Resolved to delete the examples $[\text{Ni}(\text{CN})_4]^{2-}$ and $[\text{Fe}(\text{CN}_6)]^{3-}$ In the first semester unit (IIIc) of paper I. New examples XeF_4 and IF_7^- has been introduced. In paper –I Unit V(d) types of reactions has been introduced. Aromatic substitution from paper (VI) Unit IV, has been introduced into paper I unit V(f) in the first semester. The same unit V (f) also has been corrected with the deletion of few topics.
2. Resolved to interchange a and b in unit I in Ancillary paper-I General Chemistry –I in the first semester.
3. Resolved to introduce oxidation and reduction in unit I(II) in paper II in the semester II.
4. Resolved to delete formation of precipitate, co-precipitation, post Precipitation, adsorption, precipitation from homogeneous solution and Thermoanalytical methods from unitV in paper III (Major) in the III semester.
5. Resolved to introduce pseudo first order reaction in unit IV in paper IV in the IV semester (major).
6. Resolved to introduce complexometric titration with one example in Practical II(Volumetric analysis) in the IV semester.
7. Resolved to introduce Jablonski diagram and bioluminescence in unit II in General Chemistry – IV, ancillary chemistry paper IV in the IV semester.

8. Resolved to delete d and f block elements from unit I in paper V in the semester V.
9. Resolved to introduce unit IV from VIII into paper VI unit IV in the semester V.
10. Resolved to introduce flocculation value and Gold number in unit V in Paper VII in the semester V.
11. (1) Resolved to introduce Structure and hydrolysis of maltose and lactose in unit III, and the term “base peak” in unit V in paper VIII.
(2) Resolved to split unit V in paper VIII. Unit V (a) has been changed to unit IV, unit V (b) has been changed to unit V in the semester VI.
12. Resolved to introduce top down and Bottom up approach in unit IV in Paper IX in the semester VI.
13. Resolved to introduce electrochemical series in unit III paper X.
Paper X has been corrected with the deletion of point group C_1 , C_2 , C_3 .
The point group C_{2v} & C_{3v} . Great orthogonality theorem has been introduced in unit V in paper X in the semester VI.
14. Resolved to revive the certificate programme in instrumental methods of chemical analysis which is already approved by the academic council in the year 2012 – 13.

The HOD is empowered to make or corrections as suggested by the Board of studies members and make corrected copy.

**DEPARTMENT OF CHEMISTRY
YADAVA COLLEGE
MADURA-14.
MINUTES OF THE BOARD OF STUDIES
(2014 – 2015)**

Date: 06.04.2015

The Board passed the following Resolutions

1. Resolved to delete the examples $[Ni(CN)_4]^{2-}$ and $[Fe(CN)_6]^{4-}$. In the first semester unit (IIIc) of paper I. New examples XeF_4 and IF_7 has been introduced. In paper –I Unit V(d) types of reactions has been introduced. Aromatic substitution from paper (VI) Unit IV, has been introduced into paper I unit V(f) in the first semester. The same unit V (f) also has been corrected with the deletion of few topics.
2. Resolved to interchange a and b in unit I in Ancillary paper-I General Chemistry –I in the first semester.
3. Resolved to introduce oxidation and reduction in unit I(II) in paper II in the semester II.
4. Resolved to delete formation of precipitate, co-precipitation, post Precipitation, adsorption, precipitation from homogeneous solution and Thermoanalytical methods from unitV in paper III (Major) in the III semester.
5. Resolved to introduce pseudo first order reaction in unit IV in paper IV in the IV semester (major).
6. Resolved to introduce complexometric titration with one example in Practical II(Volumetric analysis) in the IV semester.
7. Resolved to introduce Jablonski diagram and bioluminescence in unit II in General Chemistry – IV, ancillary chemistry paper IV in the IV semester.

semester V.

9. Resolved to introduce unit IV from VIII into paper VI unit IV in the semester V.
10. Resolved to introduce flocculation value and Gold number in unit V in Paper VII in the semester V.
11. (1) Resolved to introduce Structure and hydrolysis of maltose and lactose in unit III, and the term “base peak” in unit V in paper VIII.
(2) Resolved to split unit V in paper VIII. Unit V (a) has been changed to unit IV, unit V (b) has been changed to unit V in the semester VI.
12. Resolved to introduce top down and Bottom up approach in unit IV in Paper IX in the semester VI.
13. Resolved to introduce electrochemical series in unit III paper X.
Paper X has been corrected with the deletion of point group C_1 , C_2 , C_3 . The point group C_{2v} & C_{3v} . Great orthogonality theorem has been introduced in unit V in paper X in the semester VI.
14. Resolved to revive the certificate programme in instrumental methods of chemical analysis which is already approved by the academic council in the year 2012 – 13.
The HOD is empowered to make or corrections as suggested by the Board of studies members and make corrected copy.

Resolution:

Resolved to approve the Restuctured
syllabi for B.Com, B.Com (CA), B.Com (II),
B.Com (RM), M.Com, M.Com (CA), M.Phil, and Ph.D
after making the necessary corrections and
incorporating the valuable suggestions of the
honorable members of the Board.

Letang

- Professor & Head
Department of Commerce,
Tudor College, Matunga (E.S.C.I.E.)

Content of the resolution:

B.Com

- The paper titled Business Organisation in the first semester is replaced with "Business Communication". This paper is to be taught in the second semester.
- In the paper titled "Auditing", topics on model of Auditing Report and Auditor Work Sheet are added.

M.Com

- The papers list is to be done in the following order:
 1. Advanced Accounts,
 2. Financial Services,
 3. International Business,
 4. Human Resource Management and
 5. Advanced Business Statistics.
- The project to be done in the third semester is to be shifted to fourth semester.

M.Phil.

- The paper on Marketing Management which is in first semester is to be replaced with "Human Resource Management".
